

HIGHLAND BEHAVIORAL

BEHAVIORAL ASSESSMENT AND TREATMENT AT HIGHLAND BEHAVIORAL

WHO WE ARE

The professionals at Highland Behavioral have extensive training and expertise in the assessment and treatment of individuals with severe behavioral issues. Highland Behavioral specializes in treating clients with severe behavior problems when past attempts at intervention have not produced positive outcomes.

WHO WE SERVE

We offer specialized services to children and adolescents who display severe behavioral problems. In addition, Highland Behavioral serves clients affected by developmental disabilities, including Autism. Problem behaviors assessed and treated include:

- Destructive Behaviors
- Pica
- Elopement
- Self-Injurious Behavior
- Aggression
- Tantrums
- Property Destruction

ASSESSMENT & TREATMENT

Highland Behavioral believes the FBA process is dynamic in nature. As such, an array of procedures are employed in a fashion that best fits a particular situation and in accordance with behavior analytic clinical guidelines. Common procedures at Highland Behavioral include:

- Record Reviews
- Behavioral Rating Scales/Interviews
- Functional Analyses
- Preference Assessments
- Caregiver Trainings
- Caregiver Interviews
- Direct Behavior Observations
- Reinforcer Assessments
- Treatment Analyses

REFERRALS & APPOINTMENTS
